

Fourth Sunday of Lent, Year A

Key Themes: They anointed David King of Israel. The Lord is my shepherd. You are now in the light of Christ. I am the light of the world. The eyes of the blind man were opened. "Lord, I believe".

- Notes: (1) Avoid the temptation to swamp the liturgy with "Shepherd" songs. The major themes are light and sight. Gather Australia covers a large number of hymns exploring images of God's caring love for us. Look under the headings Faith, Trust, Love, Comfort.
- (2) No Gloria. Avoid the word "Alleluia" in all hymns.
- (3) "Tree Of Life" (GAUS 307) is a useful hymn to play throughout Lent. Play the general Lenten Verse, then the verse appropriate for the relevant Sunday, then go to the normal verse 1 and following.
